- [NSDL Speede App - Apps on Google Play](#)

The above-mentioned applications of CDSL and NSDL have following features:

- Consolidated view of securities of client across both the Depositories eliminating the need for multiple login;
- Transaction and holding statements at one place improving portfolio management by investors;
- Monitoring of open positions and margin details across Stock Exchanges and Clearing Corporations;
- Option to exercise E-voting on company resolutions; and
- Access to recommendations of proxy advisers on resolutions.
